

Career Opportunity

Director of Nursing - Brunswick Private Hospital

Start the New Year in an exciting and challenging role - Apply Now!

Business Overview

Brunswick Private Hospital forms part of the Health Care Group and is currently being transformed into a comprehensive rehabilitation and general medical facility with outpatient and community based services.

Ultimately, the hospital will accommodate 40 rehabilitation beds, 27 beds for general medical services, physiotherapy, gymnasium, hydrotherapy pool, hyperbaric chamber, co-located imaging; pathology and pharmacy.

Health Care

Health Care is the largest privately owned network of private hospitals in Australia. We pride ourselves on delivering premium care to all our valued clients and patients through specialist services, facilities and medical technology.

As we continue to grow our network of 12 hospitals throughout Queensland, New South Wales, Victoria and Tasmania, our focus always remains that its our people that are the defining factors in driving our success.

The role

We are seeking a dynamic and experienced Director of Nursing to coordinate and manage the nursing activities within this challenging and evolving environment. This is a great opportunity for a proactive individual to take ownership and direction.

Based in Brunswick Victoria, this role reports directly to the Chief Executive Officer.

Core Competencies

- Proven ability to lead a team of health care professionals and undertake the required 'day to day' human resources management;
- Demonstrated skills in nursing administration and management;
- Clinical nursing expertise in a senior nursing position;
- A sound understanding of key business operations and commercial functions;
- Demonstrated problem solving abilities and the ability to function independently and interdependently in accordance with professional standards.;
- Proven ability to manage and drive a facility with autonomy and accountability;
- An ability to develop new service models and business growth opportunities;
- Registered Nurse (Division 1) holding a current Certificate of Registration from the Nurses Board of Victoria.

Desirable

- Post graduate qualifications in community health and / or business;
- Experience operating a rehabilitation unit;
